

# Yearbook 2024

**Senior Information:** Please submit your contact information with your senior photo, bio & baby photo submissions by December 15th via email to [l\\_eastwood@sau9.org](mailto:l_eastwood@sau9.org) or leave printed copies (4x6) in the main office yearbook box. Please label your photos with your name as the file name in your email for identification. (I suggest you make a copy and keep originals) Communication is vital to make sure that everything you submit is received so keep checking your emails in case we need to fix any issues. By Mid- March: a proof of your senior page will be ready in the office for review of name, photo & bio info you submitted.

**\*\* All photo files emailed must be JPEG (PHOTO) file- Do Not Save AS PDF. Please limit the size of your jpeg photos as the software cannot upload large files.**

**Attach your senior and baby photos to your email as jpeg, no google docs or files**

(re-name & save file name – ex. lisaeastwoodsenior or baby in jpeg format)

Please do not crop or cut the photos- it makes the resolution *too small* and your photo will be small/fuzzy on the page. If this happens I will email you to help correct the issue.

If you need a photo returned please enclose a self addressed envelope with the photo.

**Bio Information:** (Approximately 200 characters for your info- we will do our best to make it fit. Everyone needs room on the page) Content is edited.

Please EMAIL your typed bio so that we can copy and paste your submission into the book with less chance of error. Bio/Quotes must be typed for accuracy. We encourage you to write something in your bio space- you can submit a favorite poem/ quote. Thank-you for helping!

**Biography Categories:** Name: Nickname: Memories: Special Thanks: Favorite Staff: Activities/ Clubs: Goals: Quote (incl. quotations & author if known) There are older yearbooks in the KHS library for ideas or reference if needed- see Ms. Jodi Eastwood

Please submit your superlative choices/ dedication/ class will/ prophecy to the main office or email them before December holiday break for voting tally. Don't forget!!

First Yearbook Meeting Tuesday, Nov 21st after school – email me if interested. Creating the yearbook is done mostly online so in person meetings are not always required if you have other club or afterschool commitments. Love to have new ideas! Love to have student work and photos! Contact: [l\\_eastwood@sau9.org](mailto:l_eastwood@sau9.org) (Lisa Eastwood, advisor)
